1.3B

Immunization records maintained

Gainwell Technologies is on a mission to help those most vulnerable get the quality healthcare they need. Put your passion to work and learn from healthcare leaders, innovators and mentors doing incredible things to move healthcare forward.

Get Ready to:

Make an Impact. From Day One, you will work on exciting projects that make a meaningful impact on people's lives.

Unleash Power. When you join this collaborative team that celebrates and embraces our differences, you will feel the positive energy of valued contributions and talent.

Increase Your Knowledge. Our comprehensive leadership and technical development academies allow you to build your skills and fulfill your career aspirations. Want to go back to school? Take advantage of our educational assistance opportunities.

Take the Time You Need. Gainwell offers a generous, flexible vacation policy so that you can relax and reset as needed.

Diversity, Equity & Inclusion at Gainwell

At Gainwell, diversity, equity and inclusion (DEI) is a top-down culture. It starts with our most senior leaders and extends to those innovating on the ground through our DEI Council, Employee Resource Groups and many other initiatives that support authenticity and wellbeing.

- **73%** of employees say Gainwell is genuinely committed to attracting, developing and keeping a diverse workforce.

- **79%** of employees agree Gainwell has created an environment where people with diverse backgrounds can succeed.

Proven Healthcare Technology

As the leader in healthcare technology services for state governments, Gainwell enables the delivery of vital public health and human services programs. We harness the power of technology to help our clients improve the health and well-being of the people they serve.

Medicaid Management

Accelerate claims processing.
Increase accuracy. Control costs.

Analytics

Making data-fueled decisions.

Cost Containment & Care Quality

Effective cost avoidance and
recovery. Control fraud, waste and
abuse. Improve quality of care.

Human Services & Public Health

Using innovation to build a
healthier society. Bridging the gap
between resources and support.

Pharmacy Solutions

Flexible services for Medicaid
prescription drug program
administration.

Systems Integration & Interoperability

Enhancing critical data exchange
between platforms and devices.

Connect your passion with purpose.

Grow your career with a company recognized for service excellence coupled with unparalleled expertise, IP and strong client and industry connections. We're looking for your energy, creativity and fresh ideas as we work together to deliver great health and human services outcomes.
